

ATTENTION SELLERS!

Dear Parents, Family, and Friends,

_____ has joined together with DFS Canada in a fundraising campaign. The DFS fundraiser will generate extra funds for our organization while at the same time providing a great selection of high quality and unique products for our families and friends.

Successful fundraising is measured by participation level. Friendly sales are made by contacting friends, family, neighbours, and co-workers. Please do not allow your children to fundraise door-to-door.
